

(update) Version Update Release Build Info

Posted by rudy - 2010/04/13 14:17

Hi Nick,

Is there any place to see the latest Release Build Information on <http://www.webmagnates.org> ?

Mine is Version 1.0 Release Build 287.

Thanks

(update) -----

Sorry Nick,

I just found it :

<http://www.webmagnates.org/community/bloggng/auto-blogging-software/version-history-change-log.html>

Thanks
